CHURCH WORKPLACE SCHOOL AND HOME SECURITY

Security Easily, Safely and Inexpensively

We must be proactive after a shooting... is too late!!!

With the shooter spray in your hand it will spray 30 feet / 32 Blast and will temporarily set their eyes on fire and temporarily blind them. They will not be able to function for about 30 to 45 minutes – time for the Police to arrive and handle the Crisis.

WE MUST BE PROACTIVE - AFTER A SHOOTING - <u>IT'S TO LATE</u> (<u>REMEMBER THERE ARE NO DO OVERS</u>) CHURCH

CHURCHES HAVE BEEN PRAYING FOR THIS DAY, A WAY TO NOT HAVE GUNS IN THE CHURCH. (IT IS HERE) Place shooter sprays on wall with metal lock boxes or in seat next to your security person and on wall in all common places. ----- EVERY CHURCH NEED A SHOOTER SPRAY-----

School

Whether you have a small, medium or large school this is the best way to protect your school. We have the absolute best security plan, much more effective than armed guards, and safer for your students. We don't want to kill the shooter in the school just disable him. Our Goal is no one should be killed in the school. All employees with a shooter spray will be able to take care of more than one shooter. Remember: There would be many shooter sprays all around the school and every employee can be armed in minutes----- EVERY TEACHER NEED A SHOOTER SPRAY-----
